

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

In spite of having to dodge the rain, everything seemed to come off well for this year's Homecoming celebration. With it raining as much as it has during the past week you would have to say that we were in luck to have missed getting rained on at both the parade and the ball game.

The crowd seemed a little light for the parade Saturday morning but that could be expected because of the rain.

You could not have asked for a better homecoming performance than the Pipers put on, as they just plain whipped the Vikings from Nolan. There was enough tension for the first three quarters to keep everyone on the edge of their seats and then the boys capped the victory off with a real wild fourth quarter that gave all of the hometown folks a thrill.

If the Pipers can just come up with this kind of effort each week, we say that they could have a very successful season.

We read a quote this week by Vince Lombardi, coach of the Green Bay Packers, that we liked — "Winning isn't everything, but the desire to win is."

Watching the SMU-A&M game Saturday afternoon we were convinced that SMU must have picked up some of this desire to win after capturing the title last year. Everybody has been picking them to end up in the cellar this year but they evidently don't think so.

The most surprised people would have to be the ones that turned off the TV after A&M scored with only 40 seconds left on the clock.

This next week is National Highway week and will have a special meaning in Texas as we can celebrate the 50th Anniversary of the Texas Highway Department. During this 50 years the network of Highways in Texas has grown from an ambitious dream to a 68-thousand-mile reality.

The best tribute that can be paid to a governmental department would be for it to draw complete respect from the taxpayers. We can think off-hand of only two such groups, one of which is the FBI and the other would have to be the Texas Highway Department.

One has to only leave the state to fully appreciate the tremendous job being done with the highway dollar here in Texas.

Among the Department's many achievements is its Interstate program where 60 percent of work is complete. More Interstate miles are in service in Texas now than any other State will have when the program is completed with the exception of California.

The Highway Department in Texas is big business as more than 1,000 miles of new highways are under construction in Texas at all times.

While most of the attention during Highway Week will be focused in Austin where a big dinner will be held to celebrate the anniversary and to honor the Department's retiring head, Dewitt C. Greer, we would like to express our appreciation closer to home. And this would be Nelson Shave, local resident engineer, and his staff who are responsible for the highways in our area.

We see from a news release this week that Texas will have a new family amusement and entertainment center on the order of the famous "Six Flags Over Texas." This will be the Astroworld to be located next to the Astrodome in Houston and the first stages will be complete in the summer of 1968.

The Astroworld will encompass 56 acres in its initial phase but can be expanded to 116 acres and will accommodate 20,000 people per hour on rides and attractions. It will provide the most extensive "outdoor" air-conditioning system ever attempted, according to Roy Hofheinz who with his two sons, daughter and five grandchildren will be owners of the family venture.

The Astroworld will be divided into 11 sections such as the modern area, the Alpine section, the French section, the western section and others.

Response Slow On WTRC Drive

The Cattleman's Roundup for Crippled Children is Monday, Sept. 25, and area chairmen Bill Feagan and Ralph Hallums report that the response here has been very slow. By Tuesday, several cattle and one horse had been donated.

The West Texas Rehabilitation Center during each of the past two years has gotten \$80,000 of the annual budget of \$260,000 from the Cattle-

man's Roundup. Other funds are received from memorial gifts and various United Funds.

Charlie Morris, general chairman of the drive, said that the cattlemen of West Texas had never let them down and he did not feel they would this year.

The livestock is picked up and hauled free of charge to Abilene where the sale will be held Monday at the Ranchers and Farmers Livestock Auction.

Everyone who will donate an animal is urged to call Feagan or Hallums and they will take care of the pick up and delivery. The phone numbers are SP 4-1616 and SP 4-2466.

The chairmen are eager to receive cattle, horses, cash or anything else for the drive. The WTRC needs everyone's help, they added.

Piggly Wiggly Adds New Line of Gourmet Products

Edgar Duncan of Piggly Wiggly has announced the addition of a gourmet line of products, the first in this area. Closest locations of the line, Gourmet by Cresca, can be found in Fort Worth, Waco and Lamesa.

The display counter was installed Tuesday and will offer 240 international items, "from candy to caviar."

The specialty items are imported from Germany, Ireland, Switzerland, France, Italy and England.

Eighteen different candy bars from Switzerland and 13 varieties of English candies are among the assortment. Also displayed are nuts, breads, biscuits, preserves, sauces, sardines, herring, etc.

Commander Visits Local VFW Post Tuesday Evening

District 8 Commander Ken Klahn of Abilene visited the Hamlin VFW Post 6014 last Tuesday night for an informal business meeting.

A discussion of the maintaining of community projects was the main item of business. This includes the use and maintaining of the VFW Cemetery plot, March of Dimes, Lite a Bike program, and the use of hospital beds and wheel chairs that the club has for loan to the public.

Mrs. David Wade Named Exes Head

Mrs. David Wade was elected president of the Hamlin Ex-students Association at the annual business meeting and program held Saturday afternoon in the Hamlin High School Auditorium.

Other officers who will serve with Mrs. Wade in planning next year's activities are Mrs. Donald Young, first vice president; Lanny Foster, second vice president; Mrs. Charlie Turner and Mrs. Herbert Lakey, secretaries; Carol Joe Simpson, treasurer; and Mrs. Kenneth Young, reporter.

Mrs. Ed Lewis, retiring president, presided during the business meeting. The plans for furnishings for the teacher's lounge in the new high school building now under construction were discussed. Contributions for the project are being received by the association.

Buford Bigham, '52, was master of ceremonies.

Principal B. V. Newberry gave the invocation and Supt. C. F. Cook, the welcome. Mrs. Paul Cain, formerly Juancy Hopper of the class of '28, gave the response.

Jan Albritton and Jane Ferguson, 1966 graduates, presented musical entertainment. Mrs. Henry Albritton was the pianist.

Mrs. Joe E. Ford, formerly Joan Johnson, Class of 1949, last year's Coming Home Queen, introduced the ex-student queen nominees. The high school queen contestants were introduced by Milton Davis, Student Council president.

PARADE

The downtown parade Saturday morning was led by the Hamlin High School Marching Green. The parade featured brightly decorated floats and cars. Patricia Feagan, on horseback carried the Association flag.

Winners in the school beauty division were the Freshmen, first; and Juniors, second. In the school open division, the Sophomores won first; FFA, second; and Seniors, third. The prize money, given by the Association, was \$25, first; \$15, second; and \$10, third.

Winners in the business and civic category were presented cash prizes which had been donated by the Hamlin Board of Community Development. The winners and the prizes were: Beauty Division: Jaycees and Jayceettes, \$12.50; F & M Bank, \$9.00. Open Division: Lions Club, \$12.50; Moore Elevator, \$9.00; and Plains Coop Oil Mill, \$5.00. Moore Elevator, F & M Bank, and Plains Coop donated their prize money for use in the Alumni Room of the new building.

Bicycle winners were Kyle Jackson, \$2.50; Jan Ford, \$1.50; and Gary Ford, \$1.00.

HOMECOMING QUEENS

Mrs. John Ed Day and Jayne Carol Turner were named Queens at the Saturday night ballgame against Nolan of Fort Worth.

Mrs. Day, the former Winnie Caldwell, '17, was Coming Home Queen. She was presented a crown by O. H. Weaver Jr.

Local Scouts Set Airplane Ride Monday Evening

Boy Scouts of Troop 43 are planning an airplane ride Monday, Sept. 25, and are inviting all boys eleven years of age to join the local troop and take part in this event.

The eligible boys are asked to notify Chris Perrin, any Scout, or come by the Scout Hut. The group meets every Monday evening at 7 p.m. at the Scout Hut.

Monday night the boys will assemble at 6:30 at the Hut for the special plane rides. The charge is one dollar (\$1).

The Scouts have a varied program to interest boys. In the past they have taken trips to the Brazos River, Dallas, Fort Worth, Austin, Houston,

Miss Turner, a senior and daughter of Mr. and Mrs. J. C. Turner, was escorted by Hollis Stephens. She was crowned Homecoming Queen. Each honoree received the traditional bouquet of red roses.

Other ex-student queen nominees were Mmes. J. L. Woodson of Stamford, Mrs. Glenn Bratcher of Lubbock, Mrs. H. H. Walker of Dallas and Mrs. Lawrence Cook of Fort Worth.

High School nominees were Janice Hardaway, daughter of Rev. and Mrs. Cecil Hardaway; Pauline Lakey, daughter of Mr. and Mrs. Boyd Lakey, and Margaret Cooper, daughter of Mr. and Mrs. Paul Cooper. Their escorts were James Asher, Jackie Don Williams and Milbourne Newland.

A coffee climaxed the activities at 10 p.m. Saturday evening in the high school gym.

Other officers working with Mrs. Lewis, president, for this year's Homecoming were Mrs. Donald Young, first vice president; C. L. White, second vice president; Mrs. Wade and Mrs. Turner, secretaries; Mrs. Bill Shira, reporter, and Miss Simpson, treasurer.

JAYNE CAROL TURNER
... Homecoming Queen

Pipers Journey to Cisco Friday Seeking Third Win

The Pipers will go back on the road this Friday as they travel to Cisco to take on the Loboes of District 7-AA. Game time is 8 p.m. The Pipers will be seeking their third win of the season while the Loboes are still looking for their first victory.

The Loboes have lost their first two games by a total of three points as they were edged out by Ranger the first week, 7-6, and by Albany last week, 14-12.

Head coach Joe Youngblood reported this week that the Pipers were all in good shape following their 31-0 victory over Nolan Saturday night, and should all be ready for this week's action.

The Loboes have nine starters back from last year and their probable starters will be Jerry Martindale, 158, and Randy Graham, 170, at ends; Ernest Soto, 155, and Blake Gaines, 170, at tackles; Randy Honea, 153, and Preston Midkiff, 154, at guards; Al Heyser, 168, at center. In the backfield will probably be David Smith, 150, at quarter-

back; Brian Cotton, 150, or Jim Turner, 165, at wingback; Tim Cassle, 137, at tailback; and Johnny Martindale, 134, at fullback.

Smith at quarterback is expected to be the Loboes' biggest threat in the back field as he likes to run and pass.

In other action this week the local freshmen will travel to Colorado City for their opening game after having their game with Coahoma

rained out last week. The game is to start at 6:30.

The B Team will be going up against their third straight varsity outfit Saturday night as they go to Trent for an 8 o'clock game. This game was originally scheduled for Friday night but has been changed to Saturday. The B Team is one for one as they defeated Roby the first week but then lost to Loraine last week 42-0.

Tuesday night the seventh and eighth grade teams will be playing in Rotan.

Riding Club All Girl Rodeo Here Oct. 21

An All Girl Rodeo, sponsored by the Hamlin Riding Club, has been scheduled Oct. 21 in the local arena.

There will be two performances, at 2 p.m. and 8 p.m.

Headlining the events will be the wild cow milking and steer riding

Bridge Winners

Mr. and Mrs. Harry Uates of Stamford won first place here Tuesday night at the weekly Hamlin Duplicate Bridge Club meeting in the Jaycee Community Building.

Mrs. Holly Toier and Mrs. G. W. Comegys were second and Mrs. Howard Overby of Stamford and Jack Russell were third.

Everett Beaver of Anson, Jones County School Superintendent, attended Homecoming activities.

FRESHMEN WIN FIRST IN BEAUTY — The Freshmen Class won first place in the school beauty division of the Homecoming parade here Saturday. Janice Middleton was the mermaid in the sea

shell being pulled by a gold fish. Colors of the float were green base with pastel green, white, pink and yellow making up the shell.

Sylvester News...

By Mrs. R. M. Babb
We finally came up with 214 in. of rain last week and are very grateful for all of it. We have a lovely Monday morning and should feel ready to do any thing that we might have to do.

Our sympathy to the A. J. Hill family in the loss of their son, Alton. He will never be forgotten due to his kindness to others.

Our sympathy to the Joiner family of Hamlin. Any one that knew Mrs. Joiner loved her and her goodness shall

never be forgotten. Mrs. Kenneth Leverett and myself attended the services in Hamlin on Tuesday afternoon.

Mr. Walter Estes is home from the hospital after surgery and is doing alright.

Visiting in the Babb and John Edwards home this past week was Mr. and Mrs. John D. Leverett of Houston.

Mr. and Mrs. Tommy Hood of Ft. Stockton visited with his parents. Mr. and Mrs. Hugh Hood, Mrs. W. B. Brown and Mrs. Homer Pursley attended the Neely Morton

funeral in Rotan on Friday afternoon.

Mr. and Mrs. Cecil Kiser Sr. are the grand grandparents of another young lady, Tricia Denise Kiser, daughter of Mr. and Mrs. Bobby Kiser of Hamlin.

Mr. and Mrs. Faye Dozier's grandchildren from Anson visited with them over the weekend and attended Sunday School and church at the Baptist Church.

Rev. and Mrs. Tommy Wilson and Tommy Gene of Hartley, visited her mother this last week while they were here for the Morton funeral. Gladys was very glad to see them as they don't get to

come to see her as often as they did when they were at Southland.

My husband and I visited Mr. Claude Cross in the Nursing Home in Rotan on Saturday afternoon. He said he was feeling pretty good but lonely for the people in Sylvester. If you are in Rotan do run by the Home and see him for a minute. He would love to see you.

Davey Weaver, son of Mr. and Mrs. Noel Weaver, began work Monday at A & M University toward his doctorate. He was formerly an area agronomist with the Texas A & M Extension Service stationed at Weslaco.

THE HAMLIN HERALD
Hamlin, Texas, Thursday, September 21, 1967

Immediate Plowing of Cotton Stalks Would Aid Bollworm Fight

Cotton stalks should be destroyed immediately after harvest to reduce next year's pink bollworm population, advised County Agent Kirby Clayton. This practice also aids in reducing the number of boll weevil going into hibernation, he adds.

Destroying cotton stalks eliminates the food supply of these pests and will hold down

late-season reproduction and interferes with feeding required by the insects before going into the winter, he explains.

Where a standard rotary-type shredder is used, about 50 percent of the pink bollworm larvae will be killed in the shredding operation. A flail-type rotary chopper is recommended since it will

give about 90 percent kill of the larvae during shredding.

Stubbles should be plowed out immediately after shredding to prevent new growth, adds Clayton. New squares and bolls late in the year are considered delicacies by the pink bollworm and boll weevil, and this fruit is required by the insects to reach the diapause condition necessary to survive the winter.

Clayton emphasizes the importance of plowing under stalks, boll residues and volunteer cotton to a minimum depth of 6 inches. Pink bollworms overwinter in cotton bolls, seed cotton and cottonseed. Where these plant ma-

terials are turned under at least 6 inches, they will decompose and expose the larvae to soil organisms.

Remember: Early harvest, clean fields and crop residue destruction are more effective and less expensive than applying insecticides to control the pink bollworm during the cropping season. Clayton stressed.

For additional information on pink bollworm control, come by the Extension office and pick up a copy of "Ways to Fight Pink Bollworm in Texas."

More than 20 thousand bridges are on the 68 thousand miles of Texas highways.

Son of Former Resident Married In Fort Worth Church Saturday

Sara Beth Walker and Virgil L. Wilson, both of Dallas, exchanged wedding vows Saturday in the University Christian Church in Fort Worth.

Parents of the couple are Dr. and Mrs. Granville T. Walker of Fort Worth and Mrs. Pearl Wilson of Abilene, a former Hamlin resident.

Rev. Charles Sanders, assistant minister of the University Christian Church, and Dr. Patrick Henry II, minister of Northway Christian Church, Dallas, officiated.

Emmet Smith was organist and wedding music was presented by the church choir.

Mrs. Joseph Holliday Chowning II of Altadena, Calif., was matron of honor. Bridesmaids were Mrs. Garrett P. Maben, Jane Humphrey, both of Fort Worth, Mrs. Chris Von Doenhoff of Houston and Jan Witherspoon of Fort Worth.

Flower girls were Mary Elizabeth Chowning and Catherine Ann Chowning.

Verbon Wilson of Abilene was best man. Groomsmen were Lavere Wilson of Boulder, Colo., Gerald Hodges of Bedford, Bob Harris of New York City and Carlyle Smith of Grand Prairie.

Ushers were George Jones, John Borders and Ronald Rendleman, all of Dallas.

Given in marriage by her father and mother, the bride chose a gown of pure silk candlelight peau de soie. The gown was fashioned with an empire waistline, long sleeves, and scooped neckline with tiny seed pearls trimming the neckline and flowing into a panel of seed pearls down the front of the gown. The chapel

MRS. VIRGIL WILSON
... married Saturday

length veil of pure silk illusion with scattered appliques of Alencon lace fell from the coif of Alencon lace delicately detailed with seed pearls.

Attendants dresses were full length cage design of American Beauty red. Their coifs were fashioned with soft bows and the illusion of puff pink flowed to full length.

The reception was held in the Fellowship Hall.

After a wedding trip to Aspen, Colo., the couple will be at home Sept. 23 at 6711 Del Norte in Dallas.

The bride is a graduate of Paschal High School and Texas Christian University in Fort Worth. She was a member of

Lessons on Making Gifts Planned by Homemaking Dept.

A series of lessons on making gifts will be held soon in the Homemaking Department of Hamlin High School. Some of the items to be made will include: decoupage pictures and boxes, fancy coat hangers, papier mache flowers, papier mache handbags, papier mache cannister sets, papier mache pins and wastebaskets, also plastic grapes, and paper flowers.

All who are interested, are asked to attend the first meeting Tuesday, Sept. 26 at 9:30 a.m. At this time a number of these things will be on display, and then work sessions will be decided by the group.

BIRTHDAYS

Sept. 21 — Mrs. Jess Young, Bobby McKissack

Sept. 22 — Joe S. Fudge, Debbie Rountree Martindale

Sept. 23 — Rev. Marshall Stewart

Sept. 24 — Pat Hughes, A. Sparks, Bobbye Everton, Cindy Bryant

Sept. 25 — Patsy Marentes, Debra Blanton, Jackie Don Williams

Sept. 26 — Anne Shults

Angel Flight, Delta Delta Delta, Bryson Club, Howdy Week Committee, Student Congress and Freshman favorite. She is employed by Neiman-Marcus.

Wilson is a graduate of Hamlin High School and Texas Tech. He was vice president of Sigma Alpha Epsilon and a member of Student Congress. He is employed by Mercantile National Bank in Dallas.

The rehearsal dinner was held in Colonial Country Club with Dr. and Mrs. Walker as hosts.

Fourth Grade Camp Fire Group Picks Name

The fourth grade Camp Fire Girls met Friday and chose Wi-ca-ka, meaning faithful, for the name of their group.

Officers elected were Diane Bradley, president; Melissa Madden, vice president; Linda Waldon, secretary; Judy Wilcox, treasurer and Sherrie Carter, reporter.

The girls discussed how to earn beads.

Others present were Patrice Moore, Debra Hollis, Connie Deaton, Becky Harmon, Debbie Cary, Elaine Carlton, and a guest Susie Harmon.

Leaders are Mrs. Raymond Waldon, Mrs. Fred B. Moore Jr., and Mrs. Miller Harmon.

Mrs. Tom Routh Has Visitors

Recent visitors in the home of Mrs. Tom Routh were 2nd Lt. and Mrs. Bryan Shelburne. Lt. Shelburne recently completed requirements for a Masters Degree in Music at Arizona State University, Tempe, Arizona, and is now taking training at Ft. Benjamin Harrison, Indianapolis, Indiana. He is the grandson of Mrs. Routh and a former graduate of Hamlin High School.

Other visitors have been Mr. and Mrs. W. E. Brown and children of Midland, Anne Shelburne, a student at West Texas State University, Canyon, and Lynne Shelburne, a student at Arizona State, Jimmy and Carol Shelburne of Snyder.

Mrs. E. J. Rowland TOPS Club Queen

The Determined Pipers TOPS Club met Thursday evening in the high school cafeteria with Mrs. E. J. Rowland, co-leader, presiding. She was also named Queen of the week for losing the most weight.

Members attending were Mmes. Joe Dawkins, I. D. Acklin, Roy Embrey, Archie Carlson, Calvin Embrey, Melvin Scott, John Hix, Charles Ferguson, Marie Hale and a visitor, Mrs. Vernon Johnson.

PIPER PATTERN—

Homecoming A Success -- In Spite of A Drizzly Start

Beth Craig
Janet Carson
Tommy Oliver

Although Homecoming got off to a drizzly start, it ended with a beautiful coronation and victorious ballgame.

Until late Friday, it was undecided as to having the bonfire or not, but the rain ceased soon enough and the pep rally and bonfire were held as scheduled. With a lot of help and a considerably amount of gasoline, the bonfire did burn and once it got a good start, it burned far into the night.

The parade Saturday morning was a pleasurable sight. Float winners in the high school beauty division were: Freshmen, first; Juniors, second. In the open division

NO MEETING
The Hamlin Jaycee-ettes will NOT meet tonight (Thursday) as scheduled.

the Sophomores were first, FFA, second; and Seniors, third.

Jayne Carol Turner was crowned Homecoming Queen during halftime activities. She was escorted by Hollis Stephens. Other nominees were Margaret Cooper, escorted by Milbourne Newland; Pauline Lakey, escorted by Jackie Don Williams; and Janice Hardaway, escorted by James Asher.

HHS was well represented for Homecoming by the National Honor Society sponsoring a coffee Saturday morning. Fifteen former members attended. Punch, coffee and sweet rolls were served.

The FFA officers served as ushers for the business meeting and afterwards, the officers and social committee, Linda Bailey, Patti Murphree, Jana Ferguson and Marcia Steele, served punch and cookies to the exes.

The Pipers got revenge Saturday night in the game against Nolan of Fort Worth. Last year Nolan beat us 28-6 but this year it was a completely different picture, the Big Green really "Sank" the Vikings 31-0. John Holland caught two touchdown passes from quarterback Bob Clifton. Sam Ferguson and Phillip Simpson each made a touchdown and Jimmy Hastings made the four extra points and a field goal, three points.

This year the devotionals each Wednesday morning are planned by James Knabel and Reba Jackson. The first week, the seniors were in charge. Janet Carson gave the meditation and Donnelle Hill was the soloist. Last week, the Junior Class led, with Beth Craig giving the devotional. Martha Robertson was the soloist.

FHA will have a cake sale in front of McDonald's this Saturday at 9:30 a.m. A wide assortment of cakes will be offered at varying prices.

FFA members who entered the West Texas Fair in Abilene were Bob Clifton, who won fifth in the open Hereford Show; Leldon Clifton, seventh, junior Hereford

Show; and Randy George, fourth fat barrow.

Randy also exhibited the champion Duroc female, champion Chester White female, and champion Chester White boar for Robert Moore, a former FFA member.

Jimmy Niedecken entered the Tractor Driving Contest Friday.

Herman Daniell Pictured With Under Secretary

Private Herman R. Daniell, son of Mr. and Mrs. H. R. Daniell, stationed in Germany, was pictured recently in the military publication, Taro Leaf, with David E. McGiffert, Under Secretary of the Army. Mr. McGiffert was on a tour of 24th Infantry Division forces in Hohenfels.

Private Daniell is in Bravo Company, 1st Battalion, 19th Infantry. The battalion was on the third day of its four day Operational Readiness Test (ORT) when the Under Secretary made his tour Sept. 1. He is stationed at Augsburg, Germany.

The average monthly retirement benefit paid by social security for February '67 was \$84.67.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety arm-rests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Old Glory News

By Judy White
SCHOOL.
Miss Irene Stewart, Supervisor for the Title I programs under the Elementary and Secondary Education Act for Old Glory and Rule Schools, met with the Old Glory faculty last week. She discussed the placement of teacher aides, identification of Title I pupils, testing and related problems.

It has been announced that individual school pictures will be taken at Old Glory School on Wednesday, September 27, at about 11:00 a.m. Henry Cole of Abilene is the photographer. Parents of preschool children are invited to bring them to have their pictures made. Other outsiders are also welcome.

Old Glory school will participate in the new Educational Media Center to be located in Abilene. One of the first services of the center will be to furnish film and other instructional material that have previously been very limited in small schools. Superintendent Galt attended a meeting held in Lascandra's Cafeteria last Monday night regarding the new center.

VARIETY CLUB
Mrs. Bill Wright hosted the Variety Club in her home Tuesday, Sept. 12. The next meeting is to be held Tuesday, Sept. 26th in the home of Mrs. Katie Gerloff. Ten members were present.

Ben Klump entered the Stamford Hospital for medical treatment last week. We hope he will soon be back on the road to recovery and able to return home.

VISITORS
Mrs. Katie Gerloff spent last weekend in Amarillo.

visiting her sister, Mrs. Lando Newman.
Mr. and Mrs. Wesley Tabb and children of Odessa were here last weekend visiting her parents, Mr. and Mrs. Herbert Klump.

Mrs. Martha Miescher of Abilene was here last week visiting relatives and friends. Clifford Gibson and Joe Mack Bales who are attending Electronic School in Oklahoma City were home last weekend visiting their parents and other relatives and friends.

Guests in the Lynn Flowers home last Sunday night were Mr. and Mrs. J. C. White and Mr. and Mrs. Quentin Mason all of Lubbock.

Mr. Robert Fuller was the minister at the Church of Christ Sunday and was a dinner guest in the home of Mr. and Mrs. T. W. Jennings.

Mr. and Mrs. Les Houseworth spent the weekend in East Texas visiting relatives. Mr. and Mrs. Lynn Flowers visited Mr. and Mrs. J. C. King in San Antonio Wednesday through Friday last week.

Last Monday evening Mr. and Mrs. Lynn Flowers were guests of Mr. and Mrs. James Overton at their Standard Lake house.

OFF TO COLLEGE

Stephanie Letz, daughter of Mr. and Mrs. Ed Letz, left Sunday for North Texas State College in Denton. Cindy Letz, daughter of Mr. and Mrs. David Letz, also left on Sunday for San Angelo College. Both girls were honored with a supper and family gathering at their grandparents' home, Mr. and Mrs. Tony Letz, the Sunday before.

Jane Houseworth also left Sunday to enroll in San Angelo College.

LaNoard Bayouth Enrolls In Baylor Dental College

LaNoard Murrell Bayouth, son of Mr. F. E. Bayouth, Box 968, Hamlin, enrolled as a freshman student in Baylor University College of Dentistry in Dallas Sept. 12.

For the second year 100 students have been accepted in the freshman class.

Three years of academic work in a college or university are required before a student can be accepted in the College of Dentistry. Seventy-five percent of the entering students have earned a bachelor's degree.

The course in dentistry, leading to the Doctor of Dental Surgery degree, is completed in four years.

The College of Dentistry, which has been a part of Baylor University since 1926, is operated under the auspices of the Baptist General Convention of Texas.

Abilene Classing Office Sets Open House 21, 22, 28, 29

An explanation of cotton classing and grading will be featured at an open house at the Abilene Classing Office on September 21, 22, 28 and 29.

Visiting hours will be from 8 a.m. to 4:45 p.m., announces E. E. Manly, Jr., officer-in-charge of the establishment which is located at 238 Leggett Drive.

Purpose of the open house is to clarify many misunderstandings about the factors involved in cotton classing, especially machine classing, and grading, says Manly. Many cotton producers do not understand the procedures used and a number are unaware of them, he points out.

During the open house, cotton classing and grading will be demonstrated and related problems will be discussed, adds Manly. The operations of a colorimeter and a micronaire and Presley strength instrument will also be demonstrated.

Manly invites all cotton producers and others engaged in the cotton industry in the area to avail themselves of this opportunity to become acquainted with the operations of the classing office.

Mrs. C. A. Allison and Mrs. Claude Newsome of Wichita Falls were house guests of Mr. and Mrs. Brad Rowland during Homecoming. Another visitor was Keith Miles of Fort Worth.

Mr. and Mrs. Lesley Sheldorne of the Class of 1956 and their children, Judy, Jan, Jimmy and Carol, all of Snyder, were visitors in the home of her mother, Mrs. Tom Routh, and attended Homecoming.

ESSENTIAL TOO!

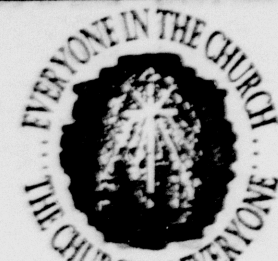

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, your presence in the worship services does help you and others too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

AFTER FIRST PIPER TOUCHDOWN
— Happy Pipers gather around End John Holland (80) after he scored the first Piper touchdown Saturday night against the Nolan Vikings. Congratulating Holland are Sam Ferguson (22)

Bob Clifton (26) and Phillip Simpson (24). Looking dejected is Ken Clark (45) Nolan halfback. Holland scored on a 22 yard pass play from Clifton. The Pipers went on to win 31-0.
—Tim Jones Photo

Pipers Treat Exes to 31-0 Nolan Victory

The Pipers thrilled a Homecoming crowd here Saturday night as they whipped a highly rated Nolan Viking team with comparative ease, striking for a touchdown in each of the first two periods and then exploding for 17 points in the final quarter, winning 31-0.

Quarterback Bob Clifton opened up the scoring for the Pipers as he and end John Holland teamed up for the first of their two scoring plays, this one for 22 yards. Tailback Sam Ferguson hit paydirt next as he rounded out a 52 yard drive with a three yard plunge. Early in the fourth period Tailback Phillip Simpson raced around his right end for 18 yards and the tally. Four plays later Clifton found Holland open up the middle on a play good for 41 yards and the fourth Piper score.

Guard Jim Hastings went four for four in the extra point department as he converted after each score and then added three more points near the end of the game with a 22 yard field goal. Hastings is now seven for seven in extra points and one for one on field goals.

The Piper defense had a terrific night as it intercepted two passes, recovered one fumble, blocked a punt and all but halted the Viking offense, both on the ground and in the air. The Vikings only managed

Hamlin	7	7	0	17	31
Nolan	0	0	0	0	0

to get into Piper territory twice during the night, once to the 18 in the first quarter and to the 43 early in the second.

Running 66 plays to the Vikings' 49, the Pipers took possession of the ball 12 times during the game and seven of these were inside Nolan territory.

Simpson and Ferguson shared the rushing honors with Simpson carrying 16 times for 71 yards and Ferguson 10 times for 73 yards. Elgin Baldwin was next with 37 yards in nine tries. Sharing the receiving honors with Holland, who caught three for 76 yards and two scores, were Ferguson with two for 37 yards and Simpson two for 33 yards.

The Pipers took the opening kickoff with Simpson returning it 17 yards to his 28. But in three plays the Pipers failed to gain but nine yards and

Milton Davis kicked his only punt of the night. The Vikings fumbled the punt and the Pipers recovered on the Nolan 35 for the first big break of the game.

The Pipers moved the ball on the ground to the 22 on the running of Simpson, then Clifton connected with Holland on about the five and John made his way into the end zone with six minutes left in the first period.

The Vikings returned the kickoff 50 yards to the Piper 45 as they set in motion their only serious threat of the night. But 10 plays later they ran out of downs on the Piper 18. The Pipers moved back down to the Nolan 24 before the Vikings intercepted a pass on the one yard line to kill the drive. Moving the ball from their one, the Vikings managed to get out to the Piper 43 before fourth down caught up with them again.

The Pipers were back down threatening again only to lose the ball on a fumble at the 19. Nolan had to punt out with Simpson returning 25 yards to his 48. Clifton completed passes to Holland, Ferguson and Simpson to move the ball down to the 21 from where Ferguson hit the line six times from the tailback spot with the final carry going into the endzone from the three.

In the second half the Pipers used up most of the third

period as they drove the ball from their 21 to the Nolan 16 before two incomplete passes used up their downs. Nolan failed to gain a first and after two punts were brought back because of penalties, Milton Davis blocked the third to give the Pipers the ball on Nolan's 34.

Simpson was called on five times as he moved through the Viking defense to the 18

and then raced around his right end for the score.

Following a short punt by the Vikings on the next series, the Pipers took over on the Nolan 41 with Clifton going to the air on first down and finding Holland racing up the middle. Holland took the pass on the run and breezed into the endzone for the final Piper tally.

The Pipers took over again following a Nolan punt and moved from the Viking 46 to the five, where on fourth down Hastings kicked his first field goal of the season to make the final score 31-0.

A handy boat dipper can be made by cutting the bottom out of a half-gallon, or even gallon, detergent bottle. And every boat should have one. Texas laws now require a bail bucket in every boat.

DISTRICT 5-AA AT A GLANCE

The six teams in District 5-AA continue to roll in non-conference play as they post a 10-1-1 record after the first two weeks of action. Only Winters has lost a game and this to AAA Lakeview.

In action this past week the results were: Anson 13, Balclinger 6; Colorado City 62, Roscoe 0; Hamlin 31, Nolan 0; Haskell 53, Clyde 0; Stamford 26, Snyder 0; Winters 21, Coleman 13.

In action this week, while Hamlin is playing at Cisco, Anson will be at Albany; Colorado City at Sweetwater; Munday at Haskell; Stamford at Seymour; and Winters at Brady.

In 12 games the teams of District 5-AA are averaging scoring 28 points per game while giving up an average of five.

JUNIOR HIGH

The Hamlin Eighth grade football squad opened the season by defeating the Merkel eighth grade last Tuesday 12-6. Hamlin got off to a

flying start when Oscar

Guerra went for a touchdown on the first play of the game.

The Merkel seventh grade defeated the Hamlin boys 6-0.

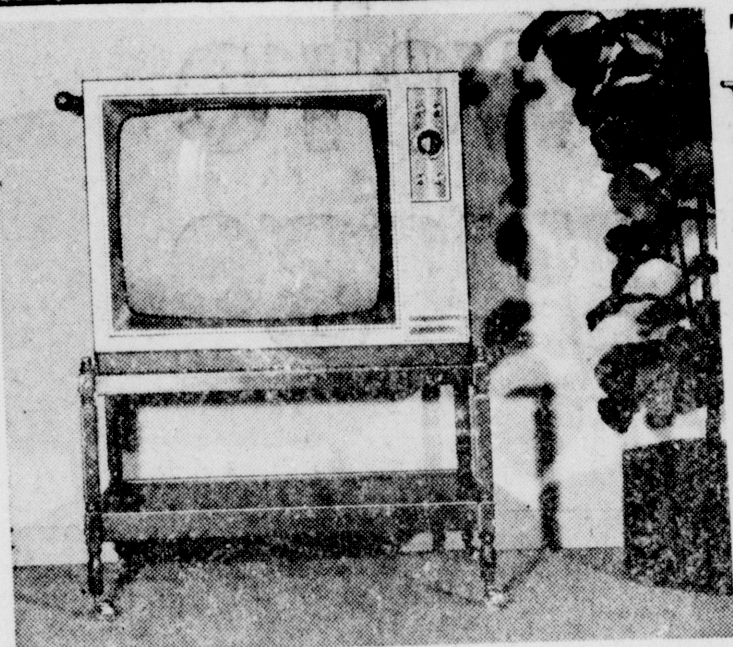

Ever get hungry in a boat?

Then take along a few hard boiled eggs. They make a good mid-morning snack. Also, a small can of tomato juice will allay both hunger and thirst.

Neinda Philosopher Claims He Has A Cow to Serve As A Test Pilot On Viet Nam Barbwire Fence

Editor's note: The Neinda
Philosopher on his Johnson
grass farm on Route One
offers a service to the govern-
ment this week, more or less.
Dear editor:

According to the latest
news out of Washington, well
maybe it's not news to you
but it was to me because it
took me several days to find
this newspaper under my front
steps as I use mostly the back
door and went out the front
this time because there was a
magazine salesman at the back,
the United States is going to
build a barbwire fence clear
across Viet Nam to keep the
Viet Cong from infiltrating
into South Viet Nam.

I don't know anything about
military tactics like a good
many Senators do and as far
as I know this idea will work,
except that nowhere in the
news could I find out what
sort of barbwire fence it's
going to be, five strands, seven,
ten, or more, although this of
course could be a military
secret. Let the Viet Cong find
out how high it is when they
try to vault it some dark night
in their thin pajamas.

However, I do know that
before a new fighter plane for
example is ordered up on a
billion-dollar contract, test
pilots give it a thorough going-
over in the air.

What I want to know is,
what provisions is the United
States government making to
test this fence out? And in
case this vital step has been
overlooked, I would like to
offer my services.

It's not you understand that
I want to test the fence out
myself, but I've got a cow that
I sure could recommend. She

is the world's champion fence-
breaker, and this is not just
my personal opinion, all my
neighbors for miles around
will vote the same.

If that fence will hold this
cow, South Viet Nam will be
safe from infiltration. Not
only can I not build a fence
to hold her, but none of my
neighbors can, and goodness
knows they've tried harder
than I have. Therefore I wish
you would get hold of Secre-
tary of Defense McNamara
and tell him that for a
reasonable fee, say cost plus
10 per cent, I will rent him
this test pilot of a cow.

Let him build a section of
his fence around the greenest
spot on the White House lawn
with maybe one of Lady Bird's
flower beds included and I
will turn my cow loose and if
she can't get through in fif-
teen minutes, the South Viet-
namese are safe.

There's one other thought,
though. If the fence turns my
cow and by implication she
endorses the construction,
we'd better get the United
Nations to immediately out-
law wire-cutters as an instru-
ment of international warfare.
Yours faithfully,
J. A.

FFA Receives Gold Emblem Award for Sixth Straight Year

For the sixth consecutive
year the Hamlin FFA Chap-
ter has received a gold emblem
rating by the Texas FFA
Association. The gold emblem
or superior chapter award is
the highest rating the state
association can give to a local
chapter. The award is based
upon local chapter's partici-
pation in carrying out the
state program of work.

Members of the local chap-
ter, in receiving of this ac-
complishment received a

certificate and a spur to place
on a plaque at a Stamford
District FFA meeting in An-
son Monday afternoon. Chap-
ter members attending the meet-
ing were Gil Lain, Stamford
District vice president; Randy
George, David Mullings, and
Duane Fry, Chapter advisors,
T. C. Blankenship and Mil-
burn Wink, also attended.

At the meeting members
heard Dr. Keith Justice, Head
of the Agriculture Depart-
ment at ACC, talk on "Careers

and Opportunities in Agri-
culture." The state FFA
president, Danny Burns, and
Area II 1st vice president,

Leslie Garrett, also talked to
the boys.
The district program of work
was planned and adopted at

the meeting. Members also
discussed the up-coming
National FFA Convention and
the Stamford District FFA

Electricity has shortened our life expectancy. Power from the
MIDWEST ELECTRIC COOPERATIVE automatically awakens
us with light early in the morning and doesn't let us go back to sleep
until far into the night. As a result we are up longer, eat more and
get fatter faster. We know cooperative service is something to
crow about but do they have to do it day and night? The MIDWEST
ELECTRIC COOPERATIVE is fine for people but if it were left up
to us, there wouldn't be a kilowatt to cook with. So we are bringing
our case to you. We get no sympathy from our mother, the brooder.
She's electric also.

MIDWEST ELECTRIC CO-OP, INC.

ROBY, TEXAS

'68 Buick. Now we're talking your language.

The new 230-hp., V-8 engine
runs on regular gas. It's standard on all
Skylark Custom models.

We also refused to limit your choices. Skylark
Custom comes in four models, 15 colors
and 32 trim combinations. So talk to the man
who talks your language, your Buick dealer.

All Buicks have a full line of General Motors
safety features as standard equipment.
For example, side marker lights and
energy-absorbing steering column.

Wouldn't you really rather have a Buick?

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.

RECEIVES BRONZE STAR — Army Major William L. Bellah, left, a 1948 graduate of Hamlin High School, received the Bronze Star Medal during ceremonies near Nha Trang, Vietnam, Aug. 18. Presented by Brigadier General Linton S. Boatwright, right, the award was for outstanding meritorious service in combat operations against hostile forces in Vietnam while serving as an assistant intelligence officer. He entered the Army in July, 1948. His wife, Mary, lives on Route 1, Gordon, Ga. His parents are Mr. and Mrs. Elmo L. Bellah.

County Agent Urges Planting of Wheat At Latest Possible Date

Wheat producers in Jones County are advised to plant wheat at the latest possible

date to avoid damage from wheat streak mosaic virus. The virus and microscopic wheat curl mite which transmit the disease built up in volunteer wheat in the summer, points out Kirby Clayton county agricultural agent. If there is no volunteer wheat in your area, only a limited number of the mites and virus will survive in weedy grasses to infect early planted wheat in the fall.

Clayton recommends three practices which can reduce losses in areas where the disease is a problem: (1) destroy volunteer wheat, (2) delay planting until the latest possible date, and (3) plant disease resistant varieties.

All volunteer wheat in the field to be seeded should be destroyed two to three weeks before planting time, says the agent. The same procedure is recommended for adjoining fields a week or two before planting.

As a further aid in controlling the disease, Clayton urges growers to plant as late as practical — until the first frost or the latest recommended date in the area, (October 15 - November 1st). If wheat is not up until October or later, it usually escapes severe infestation by the mites and virus.

Resistant varieties may not be well adapted to this area, points out the agent but such varieties as Bison, Triumph

AUSTIN — Indecision still prevails. Nobody knows for sure whether Gov. John Connally plans to run for an unprecedented fourth term. But Capitol corridors echo with the sound of guesses and counter-guesses, predictions, arguments and wagers about it.

In any event, the decision may come earlier than the Governor indicated. Close advisers say a decision may be announced soon.

Some observers think an early decision would be a decision to step down. Announcement would be made so that potential candidates waiting in the wings would know which way to jump. For instance, Speaker Ben Barnes, a Connally protégé, is expected to run for governor if Connally retires. Otherwise, Barnes would run for lieutenant governor.

So far, Lt. Gov. Preston Smith is the only announced candidate for the Democratic nomination for governor.

A race between Smith, 55, and Barnes, 30, would pit the younger generation against the older. Both are conservatives.

Republicans appear to be grooming former Atty. Gen. Will Wilson for the race for governor.

There is some talk, too, that either Sen. Ralph Yarborough or Don Yarborough of Houston may get in the race. And there are those who think it possible that former Atty. Gen. Waggoner Carr may run.

Also mentioned as contenders for the office of lieutenant governor on the Democratic ticket, in addition to Barnes, are former Sen. Franklin Spears of San Antonio, Sen. Murray Watson of Waco and Sen. Ralph Hall of Rockwall.

VOTE DRIVE SET — Liberal Democratic coalition groups in Texas have launched a campaign headed by former Sen. Franklin Spears of San Antonio to register 5,000,000 state residents to vote in 1968.

Representatives of the AFL-CIO, Political Association of Spanish Speaking Organizations (PASO), Texas Liberal Democrats and Negro communities met here to kick off

Comanche and Kiowa have done well in Kansas. The Scout and Kaw varieties have also shown resistance in some Kansas tests.

Wheat streak mosaic has caused serious economic losses to Texas wheat growers since 1962. Up to 50 per cent of the needed wheat acreage has either been lost or severely damaged in some counties since that time, adds Clayton. Losses in yield can range up to 100 per cent when the mosaic infects early-seeded fall plants.

Late planting of wheat will naturally result in less grazing, points out the agent, but this method of controlling the disease will pay good dividends at harvest time next year.

the drive. Spear's group will be known as the "Committee for Better Voter Participation."

DISTRICTS WARNED — State Board of Education warned 32 school districts for violations of accreditation standards.

Districts on the warned list are Austin State School Independent School District, Bastrop ISD, Beckville ISD, Crandall ISD, Eagle Pass ISD, Forney ISD, Franklin ISD, Holland ISD, Moody ISD, Natalia ISD, Southland ISD, Sunset ISD, Timpson ISD, Latexo ISD, Liberty Hill ISD, Melvin ISD, Mission Valley ISD, Montgomery ISD, Tolar ISD, Valley View ISD, Waeleider ISD and Wortham ISD. Also Liberty Chapel Consolidated School District, Moreta CSD; and Votaw CSD; and Manchaca-Oak Hill Rural High School District.

STATE DEPOSITS EARN INTEREST — State Bank deposits earned \$10,000,000 in interest the past fiscal year. This is up 20 per cent over the previous year.

Treasurer Jesse James estimates that the current year's earnings will total \$11,600,000. He said an increase in interest rates and swelling balances in state funds brought the record yield.

About \$252,000,000 in state funds is placed on interest in some 1,000 banks over the state.

COURTS SPEAK — Court of Criminal Appeals held that convicts seeking freedom under recent federal court decisions must file their petitions with district courts.

Habeas corpus petitions have been received from some 35 prisoners a month, claiming violations of their constitutional rights. Most of them are handwritten and claim improper sentencing, illegal confinement or conviction because they did not have proper legal aid.

An amendment to the Code of Criminal Procedure this year permits district courts to consider such pleas.

ENTRY HONORED — Texas Highway Department will dedicate a new roadside park in Van Zandt County on September 24. It will honor the late Grady Gentry, former congressman. He was chairman of the Texas Highway Commission for six years in the early 1940's.

Park is located two miles southwest of Van on Interstate Highway 20. Gentry was born in Van in 1895.

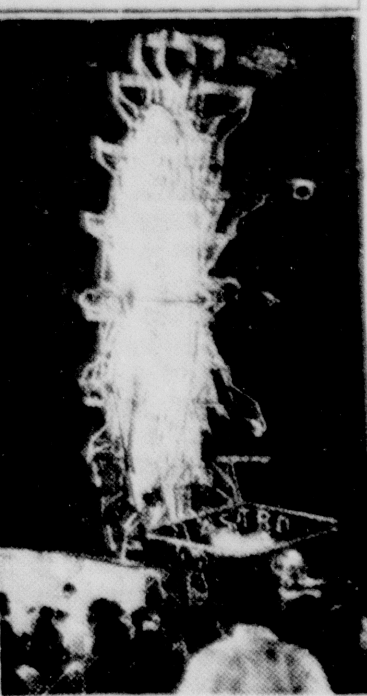

TEENAGERS: HOW THEY THINK — A questionnaire answered by 1,200 high school youth leaders during the Fifth Annual Texas Youth Conference here revealed that:

— 68 per cent are not afraid to be on the streets of their cities alone at night;

— 90 per cent are not afraid to speak to strangers because of a fear of crime;

— 35 per cent of their families keep firearms at home for protection;

GIANT BAGEL AT THE FAIR

The Astro Wheel, the only ride of its kind in the country, will make its debut on the Million Dollar Midway Oct. 7-22 at the State Fair of Texas in Dallas. The huge wheel provides a breathtaking panoramic view of the fair and downtown Dallas.

— 55 per cent feel there are two systems of justice in America — one for the privileged and one for the underprivileged;

— 70 per cent feel the telephone companies should develop a single police number for the United States;

— 76 per cent feel that police boxes should be unlocked, brightly marked and designated "public emergency call boxes";

— 73 per cent said they would report a parked car they saw sideswiped;

— 73 per cent favor work release programs in Correc-

tional institutions;

— 43 per cent feel police officers should have a college education;

— 86 per cent feel drug pushers should be more severely punished;

— 26 per cent feel fearful when confronted with police;

— 68 per cent think \$5,300 is not an adequate salary for a police officer;

— 91 per cent favor a pension for widows and children of policemen killed in the line of duty;

— 71 per cent feel most Americans respect law enforcement officers;

— 84 per cent would physically aid someone being criminally attacked;

— 84 per cent feel teen juries increase respect for the law enforcement among young people;

— 73 per cent would take an extensive vocational and technical course if offered in their high school.

SHORT SNORTS

State Regulatory Loan Commissioner Frank Miskoll is pushing a probe of home improvement loan firms accused of charging too much interest and other violations.

Cotton production may hit 2,800,000 bales, 25,000 bales above forecasts, predicts Texas Crop and Livestock Reporting Service.

Agriculture Commissioner John White granted a second emergency extension of cotton plowup deadline (until September 20) in Cameron, Willacy and southern portions of Hidalgo and Starr Counties.

Atty. Gen. Crawford advised state colleges and universities they will violate federal court orders if they require teachers to sign loyalty oaths.

Dove hunters killed 118,315 white-winged doves and 38,439 mourning doves during the final weekend of the season in lower Rio Grande Valley, according to the Parks and Wildlife Department.

Winston Martin of Rockdale will become State Safety Engineer and director of the Division of Occupational Safety, Texas State Department of Health.

E. B. (Buddy) Watson, Hamlin Police Chief, was taken by car to Dallas Tuesday where he entered Baylor Hospital. He was accompanied by his wife and son, Benny Watson of Odessa.

When you leave home on a fishing or hunting trip always file a "flight plan". Leave your destination, address, telephone number and even your automobile tag number. You may be needed sometime in a hurry.

If your feet are inclined to slip in the bottom of your

boat when it is wet, toss in a couple of those "welcome-door mats or a large size bath-mat."

When beaching a boat in an area where waves are high, beach the craft stern first. With the bow facing the wave action you can prevent water splashing over the transom.

ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING

What people are saying about...

A CLEAN BREAK WITH THE PAST

"Sold on the cleanliness!" says Mrs. John Barrows of San Angelo, Texas. The Barrows have lived in total-electric comfort for almost three years, and are pleased with the living! Pleased that it is so clean... less dust. Pleased with the electric cooling and heating because it does such an "excellent job." Pleased that they can set the temperature controls one time in the summer, and one time in the winter and a constant temperature is maintained. The Barrows are pleased that there have been no service problems with the heating or cooling units, no cold spots in winter or hot corners in the summer. Both are especially pleased that the electric

bill is so reasonable. Only \$42.31 per month average. That is the total operating cost for cooling, heating, lighting, laundry, water heating, cooking, cleaning and running all of the work-saving electrical appliances for a family of 5 — and Robert, age 15; Ken, age 11; and Bryan, age 10; are active youngsters who open and close the refrigerator a lot... need lots of clean clothes and open and close doors frequently. Seven room, 2300 square feet — just \$42.31 per month average.

Electric living is great — talk to your electric contractor or visit WTU and find out how easy it is to live better electrically.

BE CAREFUL WITH A CAR FULL

by CAROL LANE
WOMEN'S TRAVEL DIRECTOR,
SHELL OIL COMPANY

From The Eagle's Beak . . .

McCauley Chapter of Future Homemakers of America met at 8 p.m. Monday, September 18 in the Homemaking Cottage for initiation of Freshmen Members. Singing was directed by Connie Dowell and Shirley Phelps. Acting officers were Lana Acklin, Debbie McCright and Charlotte Griffin, Shirley Phelps and Sue Smith. Refreshments were served to members and mothers in attendance. Mothers present Mrs. Buddie Gibson, Mrs. W. T. McCright, Mrs. Harvey Dowell, Mrs. A. A. Smith, Mrs. Roy Phelps, Mrs. Allen Griffith and Mrs. Oran Gann.

The Junior Class selected Randy Kelly, president of their class. Other officers are vice president, David Estes; secretary-treasurer, Debbie McCright; reporter Charlotte Griffin; and social director, Shirley Phelps. Sponsor for the class is Z. Encke.

Officers of the Sophomore Class are president, Domingo Benavides; vice president, Jesus Hernandez; secretary,

Deborah Sue Smith; treasurer, Donnie Gann; and reporter, Joe Cooper who will be assisted by Dee Acklin and Andrew Cox. Sponsor for the class is Mrs. Dycie Kemp.

The cheerleaders are: Charlotte Griffin, head cheerleader, a junior; Shirley Phelps, a junior; Sue Smith, a sophomore; and Merline Grice, a freshman.

Our first football game was Friday night. We played Weinert there. We came home with a big victory. The score was 50-18. We are looking forward to our game this Friday night when we will play Paint Creek here.

Bake Sale Sat.

The Future Homemakers of America, Hamlin Chapter, will sponsor a Bake Sale here Saturday beginning at 9:30 a.m. in front of the J. M. McDonald Co.

A variety of cakes will be featured.

Social security's old-age and survivors insurance trust fund increased from \$17.7 billion in February '66 to 21.0 billion in February '67.

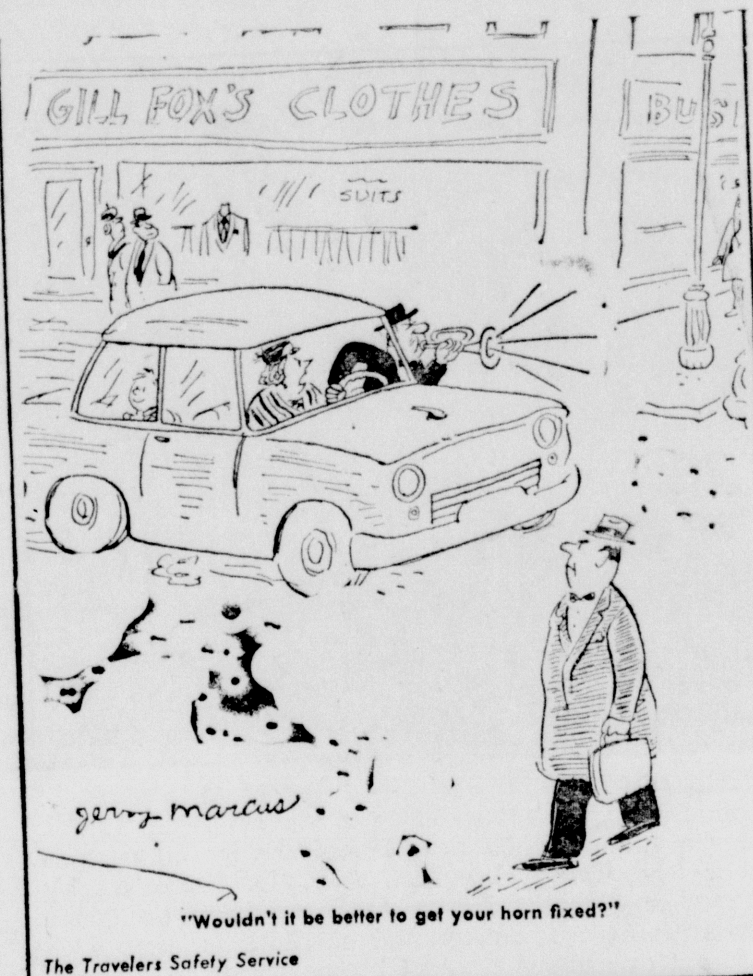

As of February '67, social security's hospital insurance trust fund was \$953 million and its supplemental medical insurance trust fund was \$499 million.

Texans drive almost 55 billion vehicle miles a year. The Texas Highway Department, marking its 50th anniversary this year, estimates travel will increase by 40 per cent by 1985.
